CHUCK WAGON ACCESSORY OPTIONS

SELECTION OF CUSTOM CHUCKBOX OPTIONS AVAILABLE

WOOD DISHPAN RAIL

Provides Extra Storage On Roof of Chuck Box; Ideal Location for Stacking Dishpan, Bread Dough Pan as well as Pots and Pans During Food Preparation and Cooking

We also offer Cast Iron Cookware, Period Eating Utensils, Antique Dishpans and Bread Dough Pans to outfit your chuckwagon.

SPICE RACK

Convenient storage keeps all your camp cooking spices close at hand

If you need more storage for cooking spices, see Pull Out Spice Rack option at right. We also carry antique spice tins to outfit your chuckwagon.

SILVERWARE DRAWER

**Included on Dakota Cowboy Chuck Wagon*
Our handy silverware drawer is made with tongue and groove construction and has three convenient sections to keep your utensils organized

If you're looking for period correct utensils, we have wood handled forks and knives from the civil war era to the early 1900's.

BUTCHER BLOCK/PULL OUT SHELF **Included on Dakota Cowboy Chuck Wagon*

This hardwood Butcher Block mounts under one of the shelves in the Chuck Box and can easily be pulled out to create additional shelf space or removed from chuck box to use as cutting board.

HAND FORGED DISHPAN RAIL w/ LANTERN HANGERS

**Included on Dakota Cowboy Chuck Wagon*
Exclusive Hansen Wheel & Wagon Shop design available only as an option on our Deluxe Chuck Box. Provides extra storage on chuck box roof as well as a convenient location for suspending lanterns or dinner triangle

PULL OUT SPICE RACK

This handy pull out rack allows you to store all your cooking spices in a convenient, easy access location that easily stores out of the way

KNIFE RACK WITH ANTIQUE KNIVES

**Included on Dakota Cowboy Chuck Wagon*
Knife Rack/Block is made from solid hardwood with five knife slots. Rack comes with three antique knives appropriate for chuck wagon competition; two slots are left open for your favorite cooking knives.

COPPER COVER TABLE TOP & CHUCK BOX ROOF

Add a water proof surface that is naturally antibacterial to the fold down table top and/or the roof of the Deluxe Chuck Box. This heavy gauge copper creates a smooth, solid surface.

CHUCK WAGON ACCESSORY OPTIONS

SELECTION OF CUSTOM BOXES AND TOOLS AVAILABLE

CATCH ALL BOX

**Included on Dakota Cowboy Chuck Wagon*

This open top storage box is attached to the side of the wagon box next to the driver's seat for quick easy access to tools and hitch equipment. The catch all box also serves as driver's step.

GLOVE BOX

This convenient slatted bottom box mounts under the wagon seat and offers weather protected storage for items the driver can easily access. .

BELLY BOX

Ideal for storing long heavy items, this box mounts under the wagon box usually below the tool box. Used here for storage for camp grill, tripod and bipod

PAN BOOT

Large storage area for heavier items such as cast iron cookware and pots and pans. For easy access, the pan boot mounts under the back of the wagon box, directly below the chuckbox and has a drop down door.

PANTRY

Maximize your chuck wagon storage with our custom pantry. Built as a part of the chuck box with top lid access, this beautifully constructed pantry provides invaluable storage during longer trail drives.

LANTERN BOX

This handy rack provides safe, secure storage for lanterns. Attached to the front of the chuck box or pantry, the lanterns are stored out of the way, but within convenient reach.

TOOL BOX

**Included on Dakota Cowboy Chuck Wagon and Hansen Ranch Chuck Wagon*

Heavy duty side box for your chuck wagon constructed on top of a platform for extra durability. Provides easy access to tools for setting up camp or trail repairs.

ANTIQUE SHOVEL w/ CARRIER

Antique D-Handle Shovel is period correct and ideal for digging camp fire pits as well as other needs that come up along the trail. Hand Forged Brackets, top and bottom, secure the shovel to the side of the wagon for storage.

CHUCK WAGON ACCESSORY OPTIONS

SELECTION OF CUSTOM TOOLS & ACCESSORIES AVAILABLE

ANTIQUe AXE w/ CARRIER

Antique axe is functional and decorative. These antique tools are handy for making camp, but also add an authentic flair to your historic chuck wagon when installed on your wagon box with a rustic hand forged bracket.

ANTIQUe HATCHET w/ CARRIER

You'll find this tool has many uses on the trail. This historic design has a hatchet on one end of the head and a hammer on the other. Leather straps hold it securely in place under the footboard or on the catch-all box.

ANTIQUe HAMMER w/ CARRIER

Original antique hammer like those used by blacksmiths comes in handy for repairs on the trail and setting up camp.

ANTIQUe MEAT SAW w/ CARRIER

This handy tool used for dressing meat was a must for the chuck wagon cooks of old. Antique meat saw is mounted on the side of the chuck box for easy out of the way storage.

ANTIQUe MEAT CLEAVER w/ CARRIER

An essential tool for the chuck wagon cook to prepare meat quickly and efficiently for supper out on the range. Hand forged hook and leather strap securely attach the cleaver to the side of the chuck box.

ANTIQUe BOW SAW w/ CARRIER

Historic Bow Saw is functional and decorative, giving your chuck wagon authentic flair. Recommended as a component on your chuck wagon for competitions.

ROPE CORRAL w/ CARRIER

Heavy 3/4" thick Rope Corral with hand forged hanger adds authentic flair to your chuck wagon while offering a quick way to set up a corral for horses in camp.

ANTIQUe BLOCK & TACKLE w/ CARRIER

Pioneers and cowboys used block and tackle with rope to get them out of rough situations along the trail. Recommended for chuck wagon competitions.
